

All about my new teacher

My name is Mrs Paton.

To my lovely new class,

My name is Mrs Paton and I am so excited that I am going to be your teacher next year. I am sorry that I am not going to get a chance to meet you before August. I would like to tell you a little bit about me...

I live in Haddington with my husband and 3 children. I have twin boys called Thomas and Robert and they are going to be in P5 at their school after the holidays and I have a little girl called Caroline who is going to be in P3 after the holidays.

In my spare time I like reading, walking and cross stitch.

I have been a teacher for 20 years and have loved every minute of it. I think it is the best job in the whole world. My favourite things to teach are reading, writing and topic work. I love sharing books and telling stories and the children I have taught love listening to me read!

I hate spiders! I hope that one of you will be a bit braver than me and catch any that we find in the classroom and help them to escape to safety.

My new class

Next year I will be in P4/5.

Mrs Paton will be my teacher.

Mrs Graham will be helping me with my learning in class.

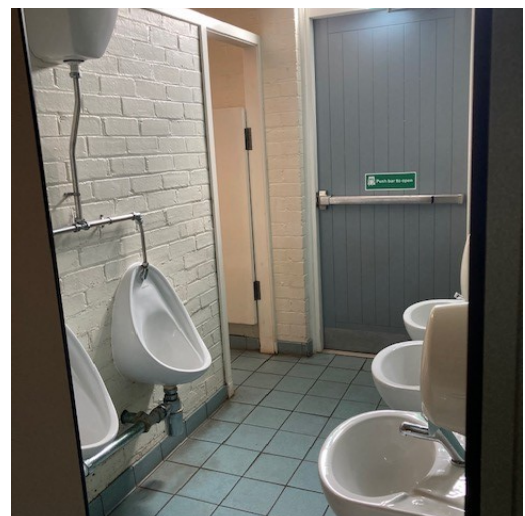

I will come up these stairs to my cloakroom and classroom.

This is where I will hang my coat and my bag. My indoor shoes will be here too.

This is my classroom. It might look a little bit different in August.

These are the senior girls and boys bathrooms.
