

# All about my new teachers

Hello P5/6! My name is Mrs Lawson. I'm looking forward to all the fun we're going to have together next year. I love making learning enjoyable through challenging games and lively class discussions. I also like art projects, model building and outdoor learning. Have a great summer and see you next year!

My name is Mrs Hyndman. I've been at West Barns for 2 1/2 years now and am really looking forward to teaching Primary 5/6 alongside Mrs Lawson this year. I have two grown-up children, Claire and Alex, no pets and an irrational fear of birds! I particularly enjoy teaching social studies as I always learn lots of new and interesting things along the way. I can often be seen out running or at the gym, which is just as well because I really enjoy eating out!

# My new class

Next year I will be in P5/6.

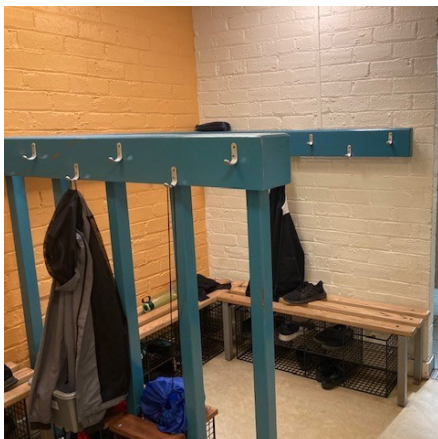

My teachers are called Mrs Lawson and Mrs Hyndman.

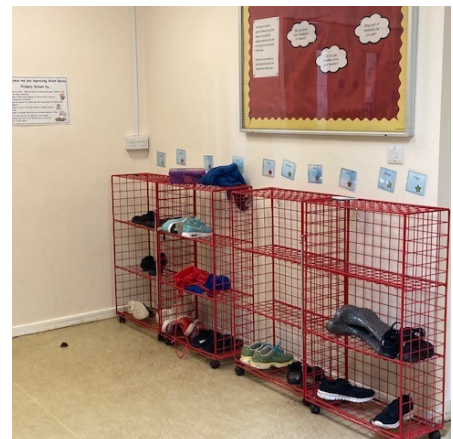

Miss Lawson will teach me on a Monday and Tuesday.

Mrs Hyndman will teach me on a Wednesday, Thursday and Friday.

The boys will keep their coats and bags in this cloakroom space.

The girls will keep their coats and bags in this space.

I will come up these stairs to my cloakroom and classroom.

This is my classroom. It might look a little bit different in August.

These are the girls and boys bathrooms.
