

All about my new teachers

Hello, my name is Mrs Whiteley-McPhee. I love modern languages; I speak French and German, and I've started learning Spanish. In my spare time I'm a keen runner and ran two virtual 10k races last year. I also enjoy getting out and about in East Lothian with my daughter, making art and listening to

My name is Ms Etchells. As many of you know already I love reading, gardening and travel (especially to France!) These match my interests in school. I enjoy exploring new authors with children; teaching French and learning about French culture - and when we are able to . . . running the Eco Committee!

My new class

Next year I will be in P6/7.

My teachers are called Mrs Whiteley-McPhee and Ms Etchells.

Mrs Whiteley-McPhee will teach me on a Monday and Tuesday.

Ms Etchells will teach me on a Wednesday, Thursday and Friday.

If the building work has started then I will walk through the school building using this door and then walk out to my classroom.

My classroom isn't built yet but it will be here in August.

My classroom might look a little bit like this.

My building will have a cloakroom space and bathrooms.
