Professional development conference sessions

Preparing for Ofsted with Accelerated Reader (AR) and STAR Reading

How you can monitor all students over extended periods of time, including selected groups such as those who receive Free School Meals and Pupil Premium allocation.

Monitoring progress and informing intervention with STAR Reading

How you can screen students quickly and easily monitor and predict their progress against national norms.

Improving vocabulary and developing literacy skills with AR

How you can introduce vocabulary practice and build higher-order thinking with AR.

Individualising maths practice with Accelerated Maths Live (AM Live)

How you can use the new AM Live in your classroom to accelerate growth for every student without adding to your workload.

Don't miss out!

Q&A panel and book signing with leading children's authors.

Thursday 21st November 2013

Berlie Doherty

Jamila Gavin
