The Big Bang UK Young Scientists & Engineers Competition aims to recognise and reward young people's achievements in all areas of science, technology, engineering and maths (STEM), and provide them with the opportunity to build their skills and confidence in project-based work.

It's open to all UK residents in full-time education or training (P1-S6 in Scotland).

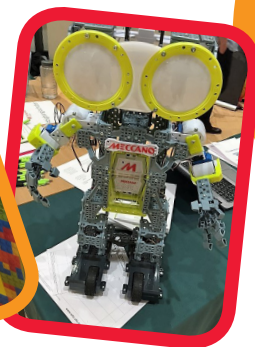

Projects can be entered through heats taking place at regional Big Bang Fairs.

Winners from the regional Fairs will have the chance to showcase their projects to thousands of visitors at the national finals at The Big Bang Fair, March 2019 in Birmingham.

How to enter your project
