Dear Parents

P1 transition arrangements

Due to COVID restrictions our plans need to follow existing risk assessments and guidance from SG.

We have included a number of documents that will need completed and returned before the end of term.

Staff will work closely to support transition and support individuals with any questions or concerns they may have.

I have attached the planned activities to support transition for your information. **The items in BOLD are for parents.**

Please try not worry about your child in transitioning into school. Children can very easily pick up anxieties from their parents so it is vital that they are happy and relaxed about the transition from pre-school to school. If you have any problems please contact school, in the first instance via phone to speak to a member of staff. We are always willing to discuss any worries which you may have concerning your child.

Yours sincerely

Fiona Macartney
HT

31/05	<p>You will receive a pack full of information and forms to complete and return</p> <p>How to help your child get ready for school by becoming independent in specific tasks, leaflet in pack</p>
